A Code of Practice for the Responsible Service, Supply and Promotion of Liquor has been in force since June 2005.

The Code was developed by the Liquor Licensing Division in conjunction with key industry, government and community stakeholders. It is aimed at providing a proactive whole-of-industry approach to ensure alcohol is served, supplied and promoted responsibly.

Redcliffe Leagues Club is committed to the principles of responsible service of alcohol and complying with all applicable laws and adhering to endorsed Liquor Service Codes of Practice. All employers must abide by the following responsible service of alcohol practices:

- No liquor will be served to minors (under 18 years of age).
- No intoxicated persons will be admitted to the Club.
- Intoxicated persons will be refused service of liquor.

More information on the act and how it affects the club and its members can be found online at http://www.olgr.qld.gov.au/industry/liquor_compliance/index.shtml
